

FIRST DAY OF TRIP

On the 12th of September the class 1A and 1B went on a school trip.
The departure was at 8:00, when we met our bus „Ignacy”.

After about 2 hours we stopped in Puławy, we had a very short break and we immediately went to visit the Czartoryski Palace.

It wasn't very interesting, everybody was sleepy after a long trip.

When we finished visiting the museum we came back to our bus and after about 3 hours we arrived in Kozłówka to see the Zamoyski Palace.

A really prepared guide led us along the building, so we had the opportunity to observe everything in great details with a complete explanation.

The weather was really bad, in fact it was raining all day, but there were really interesting historical things to see.

There was a really beautiful garden with four adult peacocks and a lot of their cubs.

After our tour in Zamoyski Palace we visited the Museum of Socrealism, where it was possible to take a lot of photos of the sculptures presenting historical people like Stalin, Lenin or Mao Tse Tung.

After that, we had a lunch break in the restaurant of the museum and then we came to Jolanta Hotel. We got the keys to our rooms, we had dinner and later we went to bed.
